This morning a walking tour introduces the historic city of Bath. Our first stop will be Bath Abbey, the last of the great English pre-Reformation churches, built in a pleasantly consistent late-perpendicular style. From the Abbey we walk across the piazza to the Roman Baths. These are some of the most extensive and best-preserved Roman remains in the country and the whole underground complex makes a fascinating visit. The afternoon and evening are free to explore the many attractions that Bath has to offer. **(B)**
