*Project Shakespeare*

**August 8 - 15, 2018**

The picturesque Warwickshire village of Stratford, nestling on the banks of the River Avon, would be just another sleepy little English market town if it were not for one man. In 1564 William Shakespeare was born here and christened in the Holy Trinity church, where he was also buried after he returned to Stratford in his later years. The town now attracts 3 million visitors a year!

From the recently refurbished Royal Shakespeare Theatre to Anne Hathaway's Olde Tea Shoppe, everything in this town pays homage in some way to the man widely regarded as the greatest writer in the English language that the world has ever seen.

Our trip will also follow in the "Bard of Avon's" footsteps and head for London. We'll spend time at the Globe Theatre, taking a tour, attending a workshop and an evening performance there. There is also the opportunity to stay on in London after the tour and experience some more of what this vibrant capital has to offer. As Dr. Samuel Johnson so famously said, "The man who is tired of London is tired of life!"

This summer don't miss out on this opportunity of a lifetime to come and perform the works of England's greatest poet and dramatist in the setting of his home town.
